MEMORANDUM FOR: Director of Research & Development

SUBJECT : Drug Research

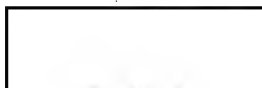

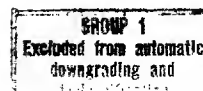

1. Although it is recognized that the Agency has no operational requirements for the use of drugs as behavioral materials, TSD strongly recommends that ORD maintain their current level of effort in the area of drug research.

2. TSD sees the need to maintain a reasonable level of state-of-the-art awareness of new drugs and effects and wishes to express interest and support in the maintenance of this ORD capability.
